

## Awards

Scholarships are available annually to benefit students for both fall and spring terms, provided they continue to qualify. Scholarships are available in amounts up to \$1000 for the year, and the amount of scholarships will vary based on study for research and research funds available. Awards are for one year.

guaranteed applications will be judged by an alumni committee and recipients will be chosen by June 1 before the fall term begins. All scholarship awards will be applied directly to the student's Wayland account
